

January 2018 – Weekly E-letters

Troop 716 - Weekly E-Letter 1/28/18

- We have a Troop meeting this week. If your interested in Philmont 2019, you definitely want to be there as Mr. Bob is presenting a Philmont special. He'll be talking about Philmont and all the activities as well as showing all our incredible pictures from our trek this past summer.
- I need to continue to here back from you regarding our February outing. I need to know who is interested in camping first and secondly what you want to do. Options are winter back pack or attempt to get a cabin somewhere.
- Please be sure you have February 11th on your calendar. It's Scout Sunday are your presence is required by the Troop to represent us for the church. Your expected there in full Class A uniform looking sharp. Service starts at 11 am, scouts need to be there no later than 10:30. We need ushers and a few boys to read. Mr. Brooks will be in touch, but if your interested, let us know. Each scout family will need to bring a coffee hour item or two since we host that after the service. More will follow in next week's email.

Troop 716 - Weekly E-Letter 1/14/18

- We have a Troop meeting this week.
- I believe we have enough interest for skiing or snowboarding for a day trip this Saturday, 1/20. We we be going to Whitetail. We will meet in the Sykesville parking lot, behind St. Paul's at 7:30 am. Whitetail is a bit more expensive, but closer and would be a change of trails since we normally go to Roundtop. The group pricing is as follows: \$69 - all mountain, \$90 – lift, rental, lesson-beginner only, \$104 – lift, rental, lesson – all mountain, \$10.50 – lunch coupon. This is the group pricing so if we don't get 15 to go, the prices will be higher. We will ask the committee if the Troop can cover the difference, otherwise, I'll have pricing at the meeting and probably another email later this week.
- I've only heard from one scout regarding their choice for our February outing and we need to get it planned. I can't plan and ask Mr. Doug to make arrangements unless I know who wants to go and who wants to do what. Please let me know.
- For those who are interested in attending summer camp, 6/24 - 6/30, a \$50 deposit is due by 2/6. Please bring your check to me so I can add your name to my master summer camp list.

Troop 716 - Weekly E-Letter 1/7/18

- We do not have a Troop meeting this Tuesday.

- Please let me know if you are interested in going skiing, snow boarding or tubing to either Whitetail or Roundtop on 1/20/18. Mr. Doug and I are still working on details, but we would need at least 10 for tubing. Also, the skiing is slightly more expensive than Roundtop, but it would be a different mountain to have fun on. We need numbers, so let me know.
- Also let me know what your interests are for our February outing. Options are a winter backpack or finding something else, possibly a cabin at Rodney.
- I've made some changes to the Troop calendar, so please replace your current one with the attached.
