Troop,

- We have a PLC at 6:30 and a Troop meeting to follow this week.
- The consensus is to move the May outing to May 17 – 19. Attached is a permission slip to go back packing. Please bring it this week so I know who's going. We will most likely do a section of the AT. Since we will have some younger scouts, we probably won't do an intense trip. I have one adult who expressed interest, so need one or two more.
- Next Saturday evening, 5/11, is the OA tap out. It's at the fire house behind the white Troop 417 house. If you were eligible for the OA election a couple weeks ago, you should attend. I'm working on finding out the time and will get that out as soon as I hear.
- Camp cards and money for sold cards are due this week. Please sell any unsold cards or bring them so they can be returned. I'm sure Mrs. Lynn and the Troop would prefer if you sold them.

YIS,

Scott Snyder
