

# Troop 716 Ski Trip Information

## January 6-8, 2016

The troop will meet at the Gatehouse at 5:00PM on Friday as usual and head to our cabin at Camp Tuckahoe. It takes about 1 hour 20 minutes to get there.

Our cabin is just a short distance from Ski Roundtop resort; we will plan on arriving at Roundtop around 9AM Saturday Morning. We will get an "8-hour flex" lift ticket, which is valid for 8 hours from the time you arrive. You may choose one of the three options below. If you choose option #2, which is only valid for beginner terrain, you may upgrade to all terrain during the course of the day if you wish (you will have to go to the office and pay the extra \$8 and get a new pass). Many scouts already have an Advantage card though ski club at school and you are welcome to use this card and get your own ski pass and rentals.

For lunch, scouts should purchase a voucher for \$10 for one of the meal plans (see below), as the troop will not supply lunch the day of skiing, or you can just purchase your lunch at the cafeteria.

We will return to the cabin when the lift tickets expire, or when the group is ready to go, whichever comes first. We will return to the Gatehouse Sunday morning.
