Birch Manor Holiday Decorating Wrap up, Courtesies of Mr. Scott:

Our visit to Birch Manor last Tuesday was fantastic!! We had almost every registered scout and many parents that helped as well. We ended up decorating all 3 floors and put up and decorated 4 X-mas trees. I was indeed a very proud Scoutmaster again as everyone looked great and pitched in to make the residents holiday season much more enjoyable. After decorating, the boys handed out the cards and items they made with candy canes to all the residents. Another truly rewarding experience and I think the boys got a lot out of it....again. I'm so glad we are making this an annual event.
